### ***"Where Can I Join A Club In My Area?"*** **New Map Shows All ATV Club Locations**

**This all-new Minnesota map serves two purposes. First, it shows riders where all the ATV clubs are located, so they can join those where they live and ride. Second, it shows where more ATV clubs are needed.**

In each ATV Minnesota region, the clubs are numbered, then listed alphabetically below the map. In the near future, there will be a digital version. Tapping on a club will reveal its contact information. For now, that information is available by going to [atvmn.org](http://atvmn.org), tapping on "About Us" and then "Member Clubs." Please put this map to work by saving it and sending it to those you meet out on the trails and in daily life who might be interested in joining clubs, and ATV Minnesota. Thanks to Jeff Leese and W.A Fisher Printing, an ATV MN Business Member located in Virginia, Minn, for putting this great map together, helping us build awareness and membership for all ATV MN member clubs. To receive a pdf of the map, send an email to [d.halsey@atvam.org](mailto:d.halsey@atvam.org).

## "Free Riding Weekend"

*From the Minnesota DNR OHV Reg Book:*

ATV registration and nonresident ATV trail passes will not be required to ride on State and Grant-in-Aid trails on June 10-12, 2022.

## Putting Used Tracks To Work

*By Perry May, ATV MN State Director and President, Over The Hills Gang ATV Club*

Our club has found a new way to make use of worn or discarded skid-steer tracks. Typically, on trails where there are bridge or boardwalk crossings, ATVs will accelerate to get up on the solid surface and accelerate again as they exit off it. This results in holes that accumulate water, exposing the leading edge of the bridge or boardwalk deck, and may create unsafe ingress/egress. To help combat

this issue and reduce trail maintenance costs, our club has started using skid-steer tracks, cut in half and laid flat on the gravel ramps leading to and away from the hard surface bridge or boardwalk crossing. Many of these tracks are 12 to 18 inches wide, have 2-inch thick rubber, with molded lugs on the underside of the track that hold them in place. The tracks can also be anchored to the bridge or boardwalk deck using 5/15-inch diameter x 4-inch long SPAX® construction screws. We have used these tracks for 2 years with good results. There seems to be an ample supply of used skid steer tracks as many sanitary landfills will not take them. Contact a local landscape or excavation contractor and you may just find a pile of tracks that they're happy to get rid of.

## We're Ready To Ride & Roast...Are You?

*By Ken Irish, Ride & Roast Committee Chair;  
President of Cuyuna Iron Range Riders; past ATV  
MN president*

Spring is here! Time to start planning your 4-wheeling rides. ATV Minnesota is kicking off the riding season on May 21st at McQuoid's Inn, in Isle Minn. This ride gets bigger and funner every year! Have you registered yet? You can register online at [www.atvmn.org](http://www.atvmn.org). If you are like many of us, we haven't been on a good trail ride since last fall. It can't get here soon enough!

Ride & Roast details: \$20 dollars per adult, kids 10 and under free. This year: \$25 dollars at the door to cover the cost of going to the grocery store to buy more food (happened big time last year). From 7:30 to 9 a.m. there will be a pancake breakfast hosted by the

Isle Fire Department. Guided rides will leave from the parking lot at 9:30 a.m. to area trails. Each rider will get a sub sandwich, bag of chips and a bottle of water to take on your ride. Be back by 5 p.m. for a delicious pork & turkey roast dinner, with baked beans, coleslaw, potato salad, cake and a beverage. We'll round out the day with trail news and updates from ATV Minnesota president Ron Potter, and some fun door prizes. You can't beat the local trails in this area of Minnesota...or this great deal...see you there!

**One more thing:** This year we've added a fun, Friday evening welcome event. Come to the Ride & Roast early and join us at the Wahkon Inn, 235 Main St. in Wahkon, Minn. It's from 6 to 8 p.m. with free hors d'oeuvres!
